

# INDIJI CIVIL

## CAPABILITY STATEMENT 2026

Civil Construction | Labour Hire | Plant Hire | Mining Services

Servicing Queensland & Northern NSW

## YOUR PARTNER FOR CIVIL & MINING EXCELLENCE

### “ Rooted in Heritage, Driven by Innovation ”

Indiji Civil is a Supply Nation Certified, Indigenous-owned contracting company delivering high-quality earthworks, mining support, and plant hire solutions across Queensland and Northern New South Wales. We operate with the rigorous safety and quality governance expected of a Tier 1 contractor, while retaining the responsiveness and personal commitment of a dedicated private enterprise.

With operational hubs in Cairns, Townsville, and Brisbane, we specialise in mobilising reliable plant and skilled operators for major infrastructure projects and mine site maintenance. We are actively transitioning from a plant hire provider to a comprehensive Tier 3 civil subcontractor, committed to delivering projects on time, within budget, and with Zero Harm.

- Supply Nation Certified
- ISO 45001 Safety Certified
- ISO 9001 Quality Certified
- ISO 14001 Environment Certified
- Local Buy Prequalified
- Late Model Mine Spec Fleet

# CORE SERVICES

---

## CIVIL CONSTRUCTION

---

Indiji Civil self-deliver civil works for infrastructure and development projects, ensuring precision and compliance with local council and TMR specifications.

- Bulk earthworks and site clearing
  - Road construction and maintenance
  - Detailed excavation and drainage
  - Dam construction
  - Environmental Remediation
- 

## PLANT & EQUIPMENT HIRE

---

Indiji Civil provides critical resourcing solutions for the mining and civil sectors, combining mine-spec machinery with experienced operators for high-production environments.

- Crusher feeding, bulk push, and stockpile management.
- Flexible fleet options to suit project durations.
- Tailings dam management, haul road repairs, and dust suppression.
- Skilled labour and plant for civil projects and maintenance.
- Fleet compliant with Rio Tinto / BMA safety standards.
- GPS and machine control equipment for maximum accuracy.

# PROJECTS AND CAPABILITIES

Indiji Civil's track record demonstrates our capability to deliver in significant, sensitive, and complex environments. From high-security Defence sites to sensitive marine environments, we provide the skilled labour, plant, and civil expertise required to keep major projects moving.

## Lavarack Barracks Defence Project | Townsville

- **Client: Demex**
- **Scope:** Indiji Civil provided critical civil works, including bulk earthworks, labour, and plant hire, as part of ongoing infrastructure upgrades at this key Australian Defence site.
- **Key Achievement:** Successfully navigated the strict compliance and security requirements inherent in Defence sector work.

## James Cook University, Western Campus | Townsville

- **Client: Demex**
- **Scope:** Supporting the large-scale demolition of 16 buildings, we provided essential skilled labour and wet plant hire to assist in complex removal works.
- **Key Achievement:** Delivered works safely within a live and sensitive university environment without disruption to campus operations.

## Cairns Waterfront Redevelopment (Whites Shed) | Cairns

- **Client: Demex & Ports North**
- **Scope:** Engaged for the civil works and demolition of the landmark Whites Shed.
- **Key Achievement:** This project was a crucial step in the major redevelopment of the Cairns waterfront precinct into a modern commercial and tourism hub.

## Acacia Ridge Industrial Project | Brisbane

- **Client: Demex**
- **Scope:** Indiji undertook a complex scope of works including site remediation, drainage, and bulk earthworks.
- **Key Achievement:** Successfully prepared the site for future development within Brisbane's key industrial and logistics precinct.

# PROJECT PORTFOLIO

Beyond our featured contracts, our reputation for reliability is built on a diverse history of works for leading contractors across Queensland, New South Wales, and the Northern Territory.

# TRAINING SERVICES

## “SKILLED HANDS, STRONGER COMMUNITIES”

Eduard brings extensive experience in the mining and civil sectors, with a specialised focus as a proficient trainer. He holds a certificate IV in Training and Assessment and collaborates closely with a reputable Registered Training Organisation (RTO) to ensure the highest standards of skill and development.

Indiji Civil is dedicated to fostering growth within our community. We are committed to enhancing skills, working collaboratively, and placing our people at the forefront of every project. Offering Traineeships to employees for further self development and constant upskilling. Our training programmes provide a hands-on approach and on-the-job experience, ensuring our people are well equipped to secure work both within and outside our projects. Our mission is to drive progress while ensuring that the benefits of our work are shared with the communities we serve.

# HEALTH, SAFETY, ENVIRONMENT & QUALITY

Indiji Civil operates under a certified integrated management system. We prioritise the health and wellbeing of our people and the protection of the environment in which we work.

## Our Commitment:

- **Safety Management**

Comprehensive risk mitigation and behavioural safety programmes designed to protect our workforce and partners.

- **Quality Assurance**

Strict process controls to ensure all project specifications are delivered correctly the first time.

- **Environmental Responsibility:** Proactive strategies to minimise ecological impact and preserve cultural heritage.

In addition, as a Supply Nation Certified Indigenous business, we are dedicated to creating meaningful partnerships, delivering culturally aware services, and contributing to greater economic opportunities for First Nations communities.

# MEET THE DIRECTOR

With over 22 years of hands-on experience in the mining and civil industries, Eddie is the driving force behind Indiji Civil. As our Director, Eddie blends practical expertise with strong leadership, ensuring every project meets the highest standards of excellence.

His deep industry knowledge, paired with a passion for safety, innovation, and Indigenous values, drives Indiji's success. Eddie's commitment ensures that we consistently deliver top-tier services, with a focus on both quality and community.

Under Eddie's leadership, Indiji Civil is not just about building projects – it's about building a brighter future for Indigenous communities.

When Eddie's not leading the way on projects, he's leading the way as a dad, showing the next generation what it means to work hard, give back, and have a little fun along the way.

At Indiji Civil, we don't just build projects – we build families, futures, and a legacy of respect for the next generation.
